BIO

Waldimeiry Correa has taught at Loyola University since 2014. She has been a consultant to UNODC in Brazil to issues of Trafficking Persons (2013) as well as a counsellor at the National Committee on Counter Trafficking Persons in Brazil (2013-2015). Her focused research is Human Trafficking and Contemporary Slavery Forms. Waldimeiry has published several books, book chapters and articles on a variety of policy and analysis about human trafficking for sexual exploitation, organ removal, forced labor and violence against women. Recently, during her stay as a Visiting Researcher at Queen's University of Belfast (UK), she has conducted studies and fieldwork on International Relations and Governance for Human Rights.
